## PROFILE

I'm Yash Bhawsar, an aspiring front-end developer with a passion for crafting user-friendly and visually appealing web experiences. As a recent graduate and a dedicated enthusiast of web development, I am excited to embark on my journey in the field and contribute my skills to a dynamic team.

## PROJECTS

### Portfolio

A platform where I showcase my skills, experiences, and accomplishments. This website serves as a virtual representation of my professional journey, offering visitors a comprehensive insight into my capabilities and expertise.

### QuizMaster

Welcome to QuizMaster, the ultimate platform for testing your knowledge and skills through a variety of engaging quizzes! Only registered users with valid login details can access our comprehensive quiz library. Try QuizMaster today and challenge yourself with fun, educational quizzes in a safe and secure environment!

### Weather-App

Instant Weather is the perfect companion for anyone looking for up-to-the-minute weather information. Our user-friendly app, built using HTML, CSS, and JavaScript, retrieves real-time weather data from an API, ensuring accuracy and reliability. It leverages the power of modern web technologies to provide you with the latest weather conditions for any location.

### Sneakers.in

Sneakers.in is an e-commerce website developed using HTML, CSS, and JavaScript. It is designed to provide users with an immersive online shopping experience, offering a wide range of products from various categories. This project showcases the development of a responsive, user-friendly, and visually appealing e-commerce platform.

### Yash.io

Exciting things are on the horizon! Our website is currently under construction, but stay tuned for big announcements and updates. In the meantime, sign up for our newsletter to be the first to know when we launch. Get ready to explore a world of innovation and creativity – coming soon to a screen near you!

### Hangman

Hangman, secret word hangs in the balance. Can you guess the letters to bring it to light? Each wrong guess tightens the noose on a helpless soul. Will you be their savior or their executioner? Play Hangman and find out!
